

Colds Relieved Without Dosing

If you have tried "Internal" medicines without success, we want you to try the "External" treatment—Vick's "Vap-O-Rub" Salve. Apply hot wet towels over the throat and chest to open the pores, then rub Vick's in well and cover with a warm flannel cloth. The body warmth releases healing vapors that are inhaled with each breath, and, in addition, Vick's is absorbed through the pores. 25c, 50c, or \$1.00.

MAKE SOUTHERN TRIP
EARLY IN NOVEMBER

Members of Farm Loan Board Decide to Wait Until After Elections.
Washington, Oct. 2.—Announcement was made here today at the offices of the farm loan board that the members of the board will begin their trip South November 10, it being desired not to undertake this trip until after the elections are held. It was also stated that positively only one city in each of the States desiring to secure a farm loan bank will be visited, this being the State capital.

DO YOU HAVE SICK HEADACHE

Who of us does not suffer at times from this awful pain? All are subject to it—a disordered stomach, inactive liver, constipation are causes. But headaches are more warnings of something more serious. Heed the warning, take

Dr. THACHER'S Liver and Blood Syrup

and head off the more serious ailments. This preparation positively relieves all perils of constipation and its kindred disorders, and restores the system to its normal condition—gently but thoroughly. Get a bottle today. Two sizes, 50c and \$1. All dealers.

HUGHES IN HIDING.

New York, Oct. 2.—Charles E. Hughes spent today resting and going over correspondence. He saw no callers and remained in seclusion.

Mr. Hughes will remain here until Wednesday morning when he will go to Montclair, N. J., to rest until the end of the week. He will begin another speaking tour next week.

Sloan's Liniment for Neuralgia Aches.

The dull throb of neuralgia is quickly relieved by Sloan's Liniment, the universal remedy for pain. Easy to apply; it quickly penetrates without rubbing and soothes the sore muscles. Cleaner and more promptly effective than musky plasters or ointment; does not stain the skin or clog the pores. For stiff muscles, chronic rheumatism, gout, lumbago, sprains and strains it gives quick relief. Sloan's Liniment reduces the pain and inflammation in insect bites, bruises, bumps and other minor injuries to children. Get a bottle today at your Druggist, 25c.—Adv.

MARKET BUREAU'S WEEKLY BULLETIN

MAKE YOUR WANTS KNOWN

Conducted by Department of
Agriculture, Commerce
and Labor.

(Communications relating to this department should be addressed to BUREAU OF MARKETING, STATE DEPARTMENT OF AGRICULTURE, COLUMBIA, S. C.)

Columbia, Oct. 2.—A farmer in Edgefield county writes to the bureau this week: "Your want and for sale column is a great help to we farmers. Hope you will keep up the good work."

Another farmer in an outlying county district writes: "Now, I would like to say a word about your market bureau. I think it one of the greatest things that ever has been gotten up for the farmer. I put an advertisement in the bureau last fall about my cotton seed and I sold all I had in a few weeks."

One of the largest distributors of seeds writes: "I thank you very much for putting me again on the list of your bulletin. I have missed them very much. They are of tremendous help to me largely in buying."

This week there have been many calls for large lots of home raised oats for seed purposes, due no doubt to the fact that the Department of Agriculture found during the past three weeks that this State was being flooded with oats filled with Johnson grass and has been compelled to take radical action in many cases.

One of the leading seed houses in the State in regard to the matter writes: "We have been finding it very hard to get grain out of the West that is satisfactory to us, and we are going to refuse all shipments hereafter, unless we are satisfied that the grain is just what we want and free of Johnson grass. We have been fortunate in handling quite a number of cars of native grown oats, rye and other grains that has been highly satisfactory to us and has pleased our customers, and we expect to build our business more on this basis."

During the past week the evidences that the farmers of the State are indeed entering upon their campaign of preparedness against the advent of the boll weevil have been multiplying. The demand for clover seed and other leguminous seed has been large and the Department of Agriculture has been kept busy furnishing inoculation cultures at 40 cents an acre delivered, and in supplying the farmers with the splendid quality of the marl being offered under the act of the General Assembly at such low rates. The outlook is extremely hopeful, both from the view point of maintaining soil fertility and economic preparedness.

The following is a weekly summary of the wants and offerings:

An Easy Way To Reduce Flesh

Drink Hot Water and Take Tassco.

Haven't you often wished for a medicine to reduce your flesh? Something that does not require dieting or calisthenics? Well, right here you have it in 5-grain tassco tablets, which you may secure at your druggist. They are pleasant to take, perfectly harmless and cause no restrictions of habit or eating, and reduce the flesh, little by little, until you are down to the number of pounds you wish to weigh. Too much flesh is undesirable, as most quiet, stout people will readily admit, and it detracts from one's good appearance; makes one clumsy and short of breath.

There isn't any reason why anyone should be too stout, when there's this much-tried, perfectly satisfactory remedy at any good drug store. Tassco tablets (don't forget the name) are recommended by physicians and are guaranteed to be perfectly harmless. Refuse substitutes, if you can not come to our store, we will mail tassco to you.
